ASSA ABLOY Logistic Security Solutions Privacy Policy

ASSA ABLOY is committed to protect your personal data. This privacy notice describes:

- Type of personal data that we collect from you in connection to this website
- How we use that information and why
- Who we share it with and where
- How long we store it for
- Your rights, including how you can contact us if you have any additional questions about processing of your personal data
- How we can make changes to this notice

ASSA ABLOY Logistic Security Solutions, 556608-6285, of Förmansvägen 11, 117 43 Stockholm as "data controller" is responsible of processing your personal data.

1.1 What personal data will we collect?

We collect and store:

- Your name, address, email and/or phone number which you submit in order to receive information from us.
- Contact and delivery details as well as financial information concerning your product payments that you submit (a) as a part of your account details (if you have one) and/or (b) in connection with any requests for, or purchase of products on our website.

1.2 How and why will we use your personal data?

Why do we process this personal data?	What is the legal basis for such processing?
To provide you with the information you request via the website	Using your personal data in this way is necessary for us to respond to your request
To fulfill your order where you have made a purchase (from the website), to contact you about sales as a part of our customer relation procedures	Using your personal data in this way is necessary for us to perform our contractual obligations where you have placed an order (on this website)
To keep your payments secure and safe and protect the security of our website	It is in our legitimate interests to process personal data to keep our customers' payments secure, prevent fraud and protect our website from cyber attacks

	Revision 1.0	Date 2018-05-25	Page (of) 3 (4)

Why do we process this personal data?	What is the legal basis for such processing?
To carry out statistical analysis about the use of the website to better understand how our website is used and to make improvements	It is in our legitimate interest to look at this information in order to understand how our website is used, and to manage and improve it. Since no sensitive personal data will be processed and the processing is limited, we have concluded that our legitimate interest to conduct the analysis and improvements takes precedence over privacy interest.
To send you communications about relevant products or services which may be of interest, in accordance with your marketing preferences	We will only send you marketing materials by consent
To offer you insurance in connection to the service delivered by us	Using your personal data in this way is necessary for us to respond to any insurance cases that might occur
To offer you guided sales tools to assist you with selecting the correct product or service	Using your personal data in this way is necessary for us to respond to your request
To comply with legal requirement to which we are subject, such as tax or financial reporting requirements	Using your personal data in this way is necessary for us to comply with our legal obligations
To be able to fulfill the service by issuing electronic access to your specific locking points by an approved service provider	Using your personal data in this way is necessary for us to ensure that correct access is given to an approved provider

1.3 How and where are your personal data transferred to?

We may transfer your personal data for the purposes set out above:

- To ASSA ABLOY Shared Technologies in connection to delegation requests to locks

We take measures to protect all personal data transferred to a third party, in accordance with applicable data protection laws.

1.4 For how long will we store your personal data?

We store the data for as long as necessary to fulfill the purpose of which the data has been collected, and in accordance with our internal record retention schedule. This means that we delete your data when such data is no longer necessary to process a request or an order, or to manage your account or client relationship. Statistics that have been anonymized may be saved for longer.

1.5 Your rights

In relation to the personal data that we hold about you, you have the right to:

- Request a copy of your personal data from our records
- Ask that we correct or erase your personal data (though this may mean that we cannot process requests or orders, or that your account expires)
- Ask us to stop processing your personal data (for example as regards the use of the data to improve our website), or restrict how we process it (for example if you deem the data to be incorrect)
- Request the personal data used to provide you with information you requested, process an order, or manage your account or our relationship in a machine readable format, which you are entitled to transfer to another data controller
- Withdraw your consent to us processing your data for marketing purposes at any time

We may not accept a request to erase your personal data where we require it to comply with a legal obligation or in a relation to a legal claim.

Requests to exercise your rights should be addressed to Attn: ASSA ABLOY Logistic Security Solutions, Förmansvägen 11, 117 43 Stockholm.

We may update this privacy notice from time to time in response to changing legal, regulatory or operational requirements. We will notify you of any such changes (including when they take effect). Your continued use of the website after any such updates take effect will constitute acceptance of those changes. If you do not accept any updates to this privacy notice, you should stop using this website.
